## Find a consultant

### Our register

Once you accept our terms and conditions, there are four steps to our search tool. At each step, choose the criteria that you'd like your consultant to have and check the results for a list of suitable consultants.

- **Industry sector** - the sector that you need the consultant to have experience in
- **Service** - what you need from the consultant
- **Operating area** - the area in which you'd like the consultant to work
- **Geographical location** - the consultant's base location

### Help with using the search tool

- If you want to select more than one option, hold the **CTRL** key down as you click your choices.
- To de-select choices, hold the **CTRL** key and click on the options you don't want.
- View the number of matches to your search by clicking **count**, then click **next** to continue.
- We'll filter our database to find the consultant(s) with the exact match to your selection.
- If the search doesn't bring back any results, click **restart** or **back** to change your search criteria.
- Click on the name of a consultant to see more details about them.
- If the contact details of a consultant aren't visible, or you need help using this tool, please [contact our Policy and Technical Department](#) for help.
